

Will you live or die?

You wake up one morning, and you find yourself in a haunted house. You know it is not halloween and all the doors are locked. What do you do?

You sleep inside and wait until someone comes for you.

Someone wakes you up, but the exit is locked

You wake up by yourself and look around.

Explore the haunted house and encounter a bag of supplies

Leave it alone

Take it!

Walk 500 steps and become hungry.

Get something out of the bag and eat something.

You turn small and encounter a small mouse door

Go in the mouse door and find a big bedroom with an exit door

Days pass by and supplies run out. You die of starvation!

You get outside the haunted house and turn back to normal. You go back home.

You start exploring the house

You find a dead body inside the master bedroom

You find a buffet of food in the kitchen.

You take a bite of the beautiful plate of lasagne.

Do you eat the food?

You gasp for air, but you find yourself weak and vulnerable. I'm sorry, but you failed your mission.

Ignore the food and keep walking.

You realize there is a yellow potion on the empty table. Do you take it or call for help?

Do you call for help?

You realize you don't have service and you are stuck in the house. You start getting hungry and drink the potion after 5 hours because you are thirsty. You find the doors unlocking and you are now free to go. Congratulations! You won!

Do you drink it?

Your body starts burning from inside out. I'm sorry, but you have failed your mission.
